Dear Sir/Madam,

**RE: APPLICATION FOR SYSTEM SUPPORT OFFICER POSITION**

I am writing to express my interest in the system support officer position. I have a strong background in Information and Communication Technology, I am confident in my ability to contribute effectively to your company.

I hold a Bachelors Degree in Information Technology awarded in Murang'a University of Technology in the year 2019. Since I have gained comprehensive knowledge and experience in software development using various languages and frameworks as Django react flask etc., data science, machine learning, cyber security android app development and database management, hardware repairs and network installation and configuration.

Currently I am working as a software development trainer at Modcom Institute of Technology. I have 5 years of experience working in various IT roles, in various MDAs including National Public Service-NCPWD, Ministry of Education and Nakuru County Government in the department of Education ICT and E-government where I have honed my skills. Throughout my career, I have demonstrated a strong ability to meet the set goals efficiently and in a timely manner. Currently I am awaiting National Training Industrial Authority (NITA) approval certificate.

I am particularly drawn to this opportunity by TENWEK Hospital due to its outstanding reputation, clear mission. I am eager to bring my expertise onboard and contribute to the continued success of the company and improved service delivery.

Enclosed is my resume that further outlines my qualifications and experiences. I am available at your nearest convenience and can be reached through my phone number 0718 684 491 or via email.

Thank you for considering my application. I look forward to the possibility of discussing how my experiences aligns with the needs your company.

Sincerely,

Job Ndirangu Kuhia
